Testimonials

"Splendid, wonderful marvelous and amazing all somewhat describe our experience of hunting with Keegan McCarthy of Coastal Alaska Adventures aboard the Sikumi in SE Alaska for coastal brown bear. All the guides provided dedicated, tireless service, which ensured a successful hunt. Gentlemen, I would highly encourage you to bring your wife or significant other along to enjoy the wonderful and exciting experience of Southeast Alaska hunting, in an environment where she can participate and go along in the hunts with you. To date this has been my wife's most favorite trip so far."

- Bruce C, Texas

"Keegan and his guides put us on plenty of deer and our limit of ducks. I had 3 other hunters with me and not one negative thing to say. Professional and personable guides, excellent accommodations and a world class chef – what more could you ask for. All hunters scored great deer and the duck hunting was exceptional, and at the end of the day a private room with hot shower and comfortable bed. I have already booked my return hunt for brown bear and working on dates to get my hunting partners back for deer!"

- Bill H, New York

"I would like to thank you and your crew for the best hunt I have ever been on, From the monument we stepped on the Sikumi your attention to detail was evident. The weather did not cooperate at all, but you and your crew still made sure our entire party had a successful hunt. The food was better then any restaurant I have ever been to. (and that's saying a lot coming from NY) I cant wait to come back and see all you guys again, I will always cherish the time I spent with my new friends"
